MUNICIPAL ORDINANCE NO. 2020- 37

AN ORDINANCE ADOPTING THE "NEW NORMAL" TO PREVENT AND CONTROL COVID -19

WHEREAS, on 8 March 2020, President Rodrigo Roa Duterte declared a State of Public Health Emergency throughout the country due to COVID-19, and enjoined all government agencies and local government units (LGUs) to render full assistance and cooperation and mobilize the necessary resources to undertake critical, urgent and appropriate responses and measures to curtail and eliminate the COVID-19 threat;

WHEREAS, on April 23, 2020, the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID) issued Resolution No. 28 which mandates that minimum public health standards must be specified by the Department of Health and adhered to by all sectors;

WHEREAS, on April 27, 2020, the Department of Health issued Administrative Order No. 2020-0015 which sets the guidelines on the Minimum Public Health Standards for COVID-19 mitigation and serves as a guide in institutionalizing key Non-Pharmaceutical Interventions across different settings to combat COVID-19;

WHEREAS, the Local Government Code (the Code) in Section 16 provides that local governments shall exercise powers necessary, appropriate or incidental for its efficient and effective governance, and those which are essential to the promotion of general welfare;

WHEREAS, with these powers, this Municipality of Nueva Era implements the Non-Pharmaceutical Interventions promulgated by DOH Administrative Order No. 2020-0015 using this Ordinance's procedures and technical specifications necessary for this adaptation and transition to the "new normal"

NOW THEREFORE, BE IT ORDAINED, as it is hereby resolved by the Sangguniang Bayan of the Municipality of Nueva Era, Ilocos Norte, in session duly assembled THAT:

SECTION 1. Title. This ordinance shall be known as "AN ORDINANCE ADOPTING THE "NEW NORMAL" TO PREVENT AND CONTROL COVID -19."

SECTION 2. Declaration of Principles and Policies. It is a declared policy of the Municipal Government of Nueva Era, Ilocos Norte to protect the lives of its residents at all times and uphold the whole government and whole society approach in developing solutions and response to the COVID-19 health event. It recognizes that all policies, guidelines and plans shall be cognizant of equity considerations and implications of such policies to different sectors of society. The Municipal Government of Nueva Era,

Ilocos Norte joins the Department of Health and other National government agencies to institute an evidenced-based policy development, decision making, and implementation of non-pharmaceutical interventions and other mitigation measures in the “new normal.”

SECTION 3. General Objectives. This policy operationalizes the minimum public health standards and other applicable laws and guidelines on mitigation measures for COVID-19 response across different settings.

SECTION 4. DEFINITION OF TERMS: As used in this ordinance, the following terms shall mean:

- a. **Administrative Controls** – refer to procedural interventions or modifications in policies, standards, and processes, that are meant to reduce the frequency and severity of exposure to infectious diseases (e.g. hygiene and disinfection protocols, work shifting, etc.
- b. **Engineering Controls** – refer to physical interventions or modifications in spaces or environments, that is meant to prevent the transmission of infectious diseases (e.g. use of physical barriers, exhaust ventilation, etc.)
- c. **New Normal** – refers to a set of behaviors and minimum public health standards to be observed and institutionalized to halt the spread of COVID-19 and shall be part of routine practices even after the pandemic.
- d. **Non-Pharmaceutical Intervention (NPI)**- refer to public health measures that do not involve vaccines, medications or other pharmaceutical interventions, that individuals and communities can carry out in order to reduce transmission rates, contact rates, and the duration of infectiousness of individuals in the populations.
- e. **Protective Personal Equipment (PPEs)**- refer to the protective garments or equipment worn by individuals to increase personal safety from infectious agents.
- f. **Vulnerable groups** – refer to socially disadvantaged groups that are most susceptible to suffer directly from disasters and health events. These include senior citizens, immunocompromised individuals, women, children, persons derived with liberty (PDL), persons with disabilities (PWDs), and members of the indigenous cultural communities (ICCs) among others.

CHAPTER A.

Non-Pharmaceutical Interventions for the “New Normal”

The implementation of this ordinance shall support the localization of the non-pharmaceutical interventions (NPIs) provided for in the DOH Administrative Order No. 2020-015, titled “Guidelines on the Risk-Based Public Health Standards for COVID-19 Mitigation”. The ordinance shall be guided by the following COVID-19 Mitigation Objectives: (1) Increase Physical and Mental Resilience, (2) Reduce Transmission, (3) Reduce Contact, and (4) Reduce Duration of Infection.

SECTION 5. Promote mental health.

5.1. The municipality acknowledges that health emergencies may cause stress, anxiety and depression. As such, interventions to deliver mental health services, psychosocial support, referral mechanisms, and other essential services shall be made available to individuals who need help and support during the COVID-19 health event.

SECTION 6. Reduce exposure of vulnerable individuals (e.g. senior citizen, pregnant women, individuals with comorbidity) to prevent infection.

6.1. The Municipality of Nueva Era shall adopt administrative controls to designate specific lanes or areas for vulnerable individuals in public places and establishments, which must be further supported by engineering controls such as but not limited to placement of temporary barriers and visual cues.

SECTION 7. Provide support for essential workforce (ex. Financial Aid, lodging, transportation to and from the workplace, food, etc.)

7.1. Businesses, public and private offices, and other establishments authorized to operate during community quarantine shall provide services and other forms of support to its workforce such as but not limited to transportation services, financial aid, food and accommodations and personal protective equipment.

SECTION 8. Provide support for vulnerable groups (ex. Social amelioration programs, food assistance, etc.)

8.1. The Municipality of Nueva Era shall ensure timely and adequate provision and distribution of services and benefits as mandated by applicable laws and guidelines to groups or individuals, particularly those identified to be vulnerable for the duration of COVID-19. Support and services shall be extended as may be deemed necessary.

SECTION 9. Reduce the use of and exposure to tobacco products.

9.1. To protect the well-being of both smokers and non-smokers, the Municipality of Nueva Era shall prohibit the use of tobacco products in public places as stipulated in Executive Order No. 26. In enclosed spaces, including private offices and establishments, owners and administrators must designate specific smoking areas, however, signages including warning about the effects and risks of use of tobacco products shall be posted in such areas.

SECTION 10. Promote Health-Enhancing Physical Activities.

10.1. The Municipality of Nueva Era promotes the conduct of regular exercise and other physical activities in increasing physical and mental resilience during COVID-19 health event, provided that individuals adhere to the minimum public health standards. If the Municipality of Nueva Era designates a specific area for the conduct of outdoor physical activities, engineering and administrative controls such as but not limited to routine disinfection and sanitation, installation of handwashing stations and dispensers with alcohol-based solutions, placement of marks for physical distancing shall be implemented.

SECTION 11. Practice personal hygiene and proper cough etiquette (e.g. handwashing with soap and water, sanitizing with hand disinfectants etc.)

11.1. To promote proper hand hygiene and cough etiquette, the Municipality of Nueva Era shall install makeshift handwashing facilities and dispensers in public places and other strategic locations, any such solution must be supported by placement of signages and visual cues to further encourage proper handwashing and cough etiquette.

SECTION 12. Avoid spitting in public places.

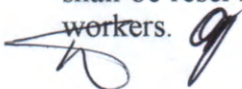

12.1 The Municipality of Nueva Era shall prohibit the act of spitting in public places such as but not limited to the street, road, alley, sidewalks, parking lots, or other vacant public and private properties not owned or controlled by the individual.

SECTION 13. Practice of environmental hygiene (e.g. disinfecting surfaces and objects).

13.1. Buildings, government offices, and private and public establishments are hereby directed to conduct routine disinfection of frequently touched surfaces and objects. All disinfection and sanitation procedures shall follow protocols and prescribed disinfection solutions stated in DOH Department Memorandum No. 2020-0157, as amended.

SECTION 14. Use of PPE and other medical grade protective apparel.

14.1. The Municipality of Nueva Era shall require all individuals to wear face masks in public areas. However, individuals with no symptoms must wear cloth, do-it-yourself, re-usable face masks to ensure steady supply of medical-grade masks and other protective apparel, which shall be reserved for individuals with flu-like symptoms, health care workers and other essential workers.

SECTION 15. Practice of Physical distancing.

15.1. In a given space, the Municipality of Nueva Era shall enforce strict compliance with physical distancing protocols (at least 1 meter apart to side, front, and back). Establishments, markets, pharmacies, banks, public and private offices and other services authorized to operate shall install visual cues, markings, and other signages within premises.

Section 16. Provision for modified work structures and schedules, and alternative work arrangements.

16.1. All businesses, establishments, and private and public offices that are authorized to resume operations shall modify work structures and provide alternative work arrangements such as work from home, working hour shifts, and on rotation basis. All workplaces, shall follow the guidelines for return to work set by the DOH Department Memorandum 2020-0220.

Section 17. Limit non-essential services.

17.1. All businesses, establishments and private and public offices that are authorized to resume operations shall modify work structures and provide alternative work arrangements such as work-from-home, working hour shifts and on-rotation basis.

SECTION 18. Restrict on mass gatherings.

18.1. Mass gatherings shall be prohibited in accordance with the limitations provided across different community quarantine classifications. Fiestas, community assemblies, sporting events and other events or activities that encourage gathering of individuals that exceed the indicated maximum number of individuals allowed in a given setting shall be prohibited.

SECTION 19. Detect and isolate symptomatic individuals (at home or in designated community quarantine facilities).

19.1. In order to facilitate prompt contact tracing procedures and immediate isolation of symptomatic individuals, all establishments, businesses, and public and private offices are required to implement standard temperature and other monitoring checks and establish the necessary mechanisms and networks to refer symptomatic individuals to the appropriate authority and/or facility.

CHAPTER B. Roles and Responsibilities

SECTION 20. The Local Chief Executive thru the Municipal Council and the Municipal Health Office shall:

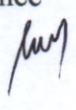

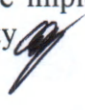

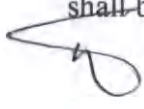

- a. Ensure the implementation of risk-based public health standards for COVID-19 mitigation;
- b. Set up mechanisms to monitor compliance and submit reports according to provided tools;
- c. Coordinate with DOH and other NGAs in carrying out these guidelines;
- d. Develop counterpart local ordinances to ensure compliance with national directives at the local level;
- e. Ensure immediate and widest dissemination of these guidelines to all units/sectors within the municipality;

SECTION 21. The Barangay officials and Barangay Volunteers (Barangay Tanods, Barangay Health Workers) shall:

- a. Monitor the strict implementation of risk-based public health standards for COVID-19 mitigation in their respective barangay;
- b. Coordinate with the Office of the Local Chief Executive and the Municipal Health Office in carrying out these guidelines;
- c. Ensure widest dissemination and compliance of these guidelines within their barangay jurisdiction;

CHAPTER C. Appropriations

SECTION 24. Appropriations. Funding requirements in the implementation of this ordinance shall be incorporated in the Annual Budget of the municipality.

CHAPTER D. Penal and accountability provisions
